SOLE SOURCE LETTER

January 1, 2018

To whom it may concern,
Reading with TLC is the only source for purchasing the Reading with TLC program materials, including all of the Lively Letters and Sight Words You Can See products and all TLC materials that supplement those two programs. Materials may be purchased via email, fax, phone, or on our online store with a credit card, by mail with a check, or by mail or fax with a purchase order.

NOTE: The only exception to the information listed above is the Lively Letters App for iPads, which is the sole property of Reading with TLC, but is only available for sale on Apple's App Store. This app is available for individuals on iPads. Licenses for the app can also be purchased with purchase orders by going through Apple's Volume Purchase Program for Education (VPP). We offers a 50% discount to those purchasing 20 or more apps through Apple's VPP.

If you have any questions about purchasing the products or programs, please contact us.

Sincerely,

Penny Castagnozzi
Co-director, Reading with TLC
