SINGLE ITEMS:

New Generation Lively Letters™ Basic Set #NGBASET \$174.99

This core set of materials includes the newly revised Lively Letters Instruction Manual, 4th Edition, and the Lively Letters Basic Size Lowercase Picture and Plain Letter Cards. This revised instruction manual contains 150 more pages of easy-to-follow instructions for developing phonemic awareness, phonics, and speech production skills, with more lesson ideas, progress monitoring tools, sample classroom scope and sequences, modifications for different students, and much more. The sturdy box includes 48 new generation lowercase colorful letter picture cards with mnemonic cues and 55 plain letter cards, as well as a handy letter sound sequence sheet. The upgraded Lively Letters pictures, now larger, are aligned correctly for size and position, and feature more gender equality and cultural diversity.

New Generation Lively Letters™ Basic Set for Parents #NGPBSET \$131.99

This core set comes with the newly revised Lively Letters Parents' Guide, 2nd Edition, and the Lively Letters Basic Size Lowercase Picture and Plain Letter Cards. The boxed cards have 48 colorful, mnemonic letter picture cards and 55 plain letter cards, now featuring correct sizing and alignment for position, as well as more gender equality and cultural diversity. The guide, specifically written in lay terms for parents and guardians, and now 97 pages longer, has clearly detailed instructions on how to implement the Lively Letters program at home. This set provides a great way for parents and guardians to support the Lively Letters services their children are receiving in school or therapy, or to provide Lively Letters instruction to children who are not receiving this program elsewhere.

New Generation Lively Letters™ Instruction Manual, 4th Edition #NGINMAN \$115.99

This newly revised instruction manual contains over 150 more pages of easy-to-follow instructions for developing phonemic awareness, phonics, and speech production skills, using Lively Letters. It now contains stories and hand cue photos for both lowercase and uppercase letters, along with more lesson ideas, progress monitoring tools, sample scope and sequences for K and I classrooms (moderate and fast paces), modifications for different students, and a section on accuracy and automaticity. Lesson plan templates for reading and spelling are also included, as well as updated and more in-depth descriptions of the Lively Letters strategies.

New Generation Lively Letters™ Basic Size Lowercase Picture and Plain Letter Cards #NGBASLO \$69.99

This boxed set includes 48 colorful picture letter cards with mnemonic cues and 55 plain letter cards. The single letters cards are 4.325" w x 6.125" h and double letter cards are 6.25" w x 6.125" h, with evenly sized and better aligned letters for correct position on the page. The Lively Letters pictures now feature more gender equality and cultural diversity, and the new designs are even more engaging than the characters in the classic set that is famous for improving phonemic awareness, phonics, and speech production. A letter sound sequence card is included for easy reference during program implementation.

New Generation Lively Letters™ Parents' Guide 2nd Edition #NGPARGU \$64.99

This newly revised guide for parents and guardians, now 97 pages longer, includes all of the stories for uppercase and lowercase letter cards, a small picture of each letter character, the mouth cue photo, and pronunciation guide to enhance introduction of the letter sounds. It now includes updated strategies, more word lists, and engaging activities, plus reproducible dialogue boxes so parents can paste the stories right onto the backs of the picture letter cards. This guide, clearly written in lay terms for parents and guardians, has detailed instructions on how to implement the program at home. Parents and guardians can learn how to support the Lively Letters services their children are receiving in school or therapy, or to provide Lively Letters instruction to children who are not receiving this program elsewhere.

New Generation Lively Letters™ Spanish Translations: Phonics Stories for the English Sounds, Uppercase & Lowercase (Book) #NGSPANT \$34.99

This book contains all of the Lively Letters uppercase and lowercase stories translated into Spanish by bilingual speech language pathologist, Angela Livingston, M.S., CCC-SLP, TSSLD-B.E. These stories, written in Spanish, will help elicit the English sounds of the letters, using familiar terminology and mnemonic cues to make longstanding impressions. The important information regarding differences between English and Spanish letter sounds is addressed in the stories whenever pertinent. The Spanish translations of the Lively Letters stories match the recordings of these stories that are found in the Lively Letters Phonics App. The Spanish Translations Book does not include the instructions for implementing the complete Lively Letters program, including the decoding and encoding word play activities, or other information needed for program implementation. For that reason, it is highly recommended that those working with students also use the Lively Letters Instruction Manual.

New Generation Lively Letters™ Basic Size Uppercase Picture and Plain Letter Cards #NGBASUP \$44.99

This sturdy box contains 27 uppercase Lively Letters cards with colorful mnemonic pictures and 26 plain letter uppercase letter cards. The cues for the uppercase pictures match, or are very similar to, those for the lowercase cards. The letter cards are 4.325" w x 6.125" h. They're perfect for providing small group and individual lessons. Evenly sized and aligned for position, the newly upgraded picture letters feature gender equality and cultural diversity. This box also includes a small booklet with the stories for introducing the uppercase letter sounds and a letter sound sequence card for easy reference.

New Generation Lively Letters™ Class Size Lowercase Picture and Plain Letter Cards #NGCLALO \$123.99

This sturdy boxed set includes 48 colorful cards with mnemonic cues and 55 plain letter cards. The single letters are 8.65" w x 12.25" h and double letter cards are 13" w x 12.25" h. These cards are perfect for providing whole classroom or large group lessons, as students can see the details on these very large cards from a distance. Evenly sized and better aligned for position, the newly upgraded picture letters feature more gender equality and cultural diversity. They are even more engaging than the classic set that is famous for improving phonemic awareness, phonics, and speech production. The included letter sound sequence card is an easy reference tool for teachers.

New Generation Lively Letters™ Class Size Uppercase Picture and Plain Letter Cards #NGCLAUP \$78.99

This sturdy box contains 27 uppercase Lively Letters cards with colorful mnemonic pictures letters and 26 uppercase plain letter cards. The cues for the uppercase pictures match, or are very similar to, those for the lowercase cards. The letter cards are 11" w x 12.25" h. They're perfect for providing whole classroom or large group lessons, as students can see the details on these very large cards from a distance. Evenly sized and aligned for position, the newly upgraded picture letters

feature gender equality and cultural diversity. This box also includes a small booklet with the stories for introducing the uppercase letter sounds. The included letter sound sequence sheet is an easy reference tool for teachers.

New Generation Let's Practice Reading with TLC Reproducible Workbook #NGLETSP \$65.99

Newly revised with clearer directions, more engaging activities, and more pages of pen and paper practice, this reproducible workbook helps bring decoding and encoding skills to automaticity while keeping students engaged and motivated to practice skills. The book includes practice at all levels of the Reading with TLC program, including isolated sounds, reading and spelling words with consonant blends, vowel digraphs, multisyllable words, and sight words. As motivating as it is beneficial, these pages are sure to bring students to the next level of success.

New Generation Lively Letters™ Lowercase Picture and Plain Letter Mini Card Sets

Our new mini cards are a little larger than the classic version, with each set of mini cards including 2 full color sheets of Lively Letters characters and 3 sheets of plain letters. For those playing the famous Lively Letters “Human – Alien” game, the sets also include pictures of a human and an alien character for more engaging fun with real and nonsense word decoding and encoding. Perfect for students working on words at their desks or at tables, the mini cards help instructors implement the program in whole class, small group, and individual settings. They come with options for 2 sets, 6 sets, or 25 sets.

- NGLOMIN2 2 Sets \$17.99
- NGLOMIN6 6 Sets \$43.99
- NGLOMIN25 25 Sets \$141.99

New Generation Lively Letters™ Uppercase

These new uppercase mini card sets come with one full color sheet of Lively Letters uppercase characters, and one sheet of plain uppercase letters. The cues for the uppercase pictures match, or are very similar to, those for the lowercase cards. These mini cards are great for drilling uppercase letter sounds and transitioning from lowercase to uppercase letters. Perfect for students working on letters at their desks or at tables, the mini cards help instructors implement the program in whole class, small group, and individual settings. They come in sets of 2, 6, and 25.

- NGUPMIN2 2 Sets \$7.99
- NGUPMIN6 6 Sets \$17.99
